of Housing programmes in Urban Development Projects assisted by the **World Bank loan for Operation Flood** Development projects include, *inter-alia*, sites and services, residential, commercial and small industry plots including community facilities, core housing and home improvement/shelter loans and Slum Upgradation Component. Under the Kanpur Urban Development Project it has been proposed to cover 14,800 residential plots, Core Housing, Shelter Loans, Community Facilities and 540 serviced small Business plots at three sites totalling 200 hectares and benefiting 83,000 residents. It has also been proposed to upgrade 12,000 households on 105 hect. including grant of tenure, improved infrastructure services, Home Improvement and Sanitary Core Loans, Community Facilities and Small Business Support Services. The total component is of the order of $ 26.00 M.

As far as the Uttar Pradesh Urban Development Project is concerned sites and Services is proposed to be extended to 122 hectares of land in eight sites to provide 9580 serviced residential plots and 8.3 hectares of commercial and small business plots. It has also been proposed to cover 230 slums covering 510 hectares of land with approximately 350,000 inhabitants in six cities. Area Development in six sites totalling 57 hectares in two cities are also proposed, which would benefit 17500 inhabitants. The total cost of these items are expected to be of the order of US $ 37.7 M.

Central assistance for natural calamities to U.P.

1452. SHRI SATYA PRAKASH MALAVIYA: Will the Minister of AGRICULTURE be pleased to state:

(a) what was the total amount of central assistance given to U.P. for meeting natural calamities like drought and flood during the last three years and the amount the Government of U.P. was able to utilise out of it, year-wise; and
